" 1665 " 17-6-54

I have to state that the following posts of Honorary Medical Officers and Honorary Assistant Medical Officers in the South Kanara District were advertised in this office notification dated 6-8-1954:

NAME OF THE INSTITUTION	DEPARTMENT	DESIGNATION.	NO. OF POSTS
Govt. Headquarters hospital, Mangalore	Surgical	Honorary Medical Officer.	1
-do-	Pathology	Honorary Assistant Medical Officer.	1
-do-	Anaesthesia	-do-	1
Govt. hospital, Karkal	General	-do-	1

The last date for the receipt of applications was fixed as 13-9-1954 and the selection committee for the selection of Honorary Medical Officers and Honorary Assistant Medical Officers met on 27-9-1954. The Committee has reported that only one application for the post of Honorary Medical Officer was received from Dr. Mangalore Panduranga Pai. He has not been however recommended by the Committee as he has not completed a minimum period of 8 years service as Honorary Assistant Medical Officer. The Committee has also reported that no application was received for the post of Honorary Assistant Medical Officer in the Govt. hospital, Karkal.

2. In this connection with the arrangements to be made for providing facilities for teaching clinical subjects to the students of the Kasturba Medical College, Manipal, South Kanara District, it has been suggested to Government that the present Honorary Surgeons and Honorary Physicians of the hospital should be employed by the college on terms of mutual agreements. It has also been suggested that a few beds should be allotted to Ear, Nose and Throat, Eye and Tuberculosis departments and these departments should be placed in charge of Honorary Assistant Surgeons who will do the teaching on conditions to be arranged between the college authorities and the Honorary Assistant Medical Officers. The Government have also been informed that the college authorities should appoint on their staff (recruitment being made by advertisement) Lecturers in Anaesthesia and Venereology who should be given honorary status on the hospital staff. The entire question is under the consideration of Government. In this connection a reference is invited to this office letter Ref.No. 39314-11-E.1/54 dated 8-10-54 and Ref.No. 39314-12-E.1/54 dated 19-10-54.

3. The College authorities have since proposed to appoint vast staff in the department of Pathology etc. for the non-clinical section. They have also stated that there will be a Central Laboratory in the College and that the specimens and materials for investigations from the Headquarters hospitals will be done in the Central Laboratory free of cost.

4. When all the above arrangements take effect, there will not be need for the appointment of Honorary Medical Officer in the surgical unit and Honorary Medical Officers for the Anaesthesia and Pathology departments of the Govt. Headquarters hospital, Mangalore, separately.

5. In the circumstances stated above, I suggest that the appointment of Honorary Medical Officer and Honorary Assistant Medical Officer

p.t.o.

in the Govt. Headquarters hospital, Mangalore may be deferred till the Government pass orders on the various proposal pending with them.

6 The vacancy in the Government hospital, Karkal may however be readvertised. x/4.9
